Dear Don:

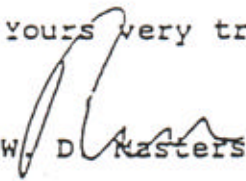

Enclosed is our check in payment of your recent statement.

As I believe you are aware, the jury returned a verdict in excess of \$17 million in Jensen v. Eckerd. We are very appreciative of your expert services rendered in this case.

I have been contacted by the two major trial reporting services in the North Texas area, and have given both of them your name as a testifying handwriting expert. These reports are widely circulated among lawyers. Hopefully, your association with a verdict of this size will result in future engagements.

Thank you again for your fine work in this case.

Yours very truly,

W. D. Masterson
