To Whom It May Concern:

Advanced Forensic Document Lab has done investigative work for Pier 1 Imports on a number of claims, and we have always been very pleased with the thorough and professional manner in which they have handled the assignments. The results of their work has enabled us to reduce the financial liability of some of our problem claims. They are always very prompt in getting us the requested information, and I am always pleased to recommend them to other companies.

We appreciate a job well done.

Sincerely,

Reta Lewis
